Wacom's PenPartner is a small pen tablet that connects to your PC via USB. The tablet has a silver-grey finish, a pen tray at the top and a flip-up transparent overlay, giving it a very modern, trendy and smart look. It's dimensions are as sleek as 14.7 cm x 16 cm x 1.2 cm and it doesn't weigh more than 168 grams. The PenPartner comes with a drawing area which is around 8 cm by 6 cm and the stylus itself weighs not more than 10gm. The package consists of the PenPartner tablet, the PenPartner stylus, a CD containing drivers and the JustWrite Office 4.0 software along with a quick start guide (manual).
